COIN OPERATED AMUSEMENT

GENERAL

For more than 16 years the Chicago Coin Machine Co., Inc. has specialized in the manufacture of a superior line of coin operated equipment which has been scientifically designed and skillfully constructed.

Thousands of these machines in all parts of the world are giving satisfactory service, and they will continue to give good service as long as genuine Chicago Coin parts are available for replacement and maintenance.

This parts catalog is published in order that the operator of Chicago Coin machines can be in a better position to order Chicago Coin replacement parts more accurately, thereby insuring quicker service. We suggest that you refer to this catalog when ordering replacement parts, and recommend the use of our part numbers.

We further suggest the importance of using only parts and supplies made and approved by the Chicago Coin Machine Co. Remember, for longer life and better operating results, insist on genuine Chicago Coin replacement parts. They may be obtained directly from the Chicago Coin Machine Co. or through your Chicago Coin distributor.

For the best possible service we suggest you call Chicago Coin Machine Co. by telephone or specify shipment by air express. Make certain your name is on our mailing list to insure receiving replacement sheets for this catalog.
